# Church Pews

**Davis Furniture Company** proudly presents you with our beautiful line of solid hardwood, upholstered and plywood veneered church pews.

Using the finest grades of lumber, harvested from local forests in the heart of Wisconsin, we strive to use our talents as craftsmen to provide quality worship seating that will serve you for generations to come. Building or expanding your facility is a once in a lifetime experience for most congregants and leaders. We at *Davis Furniture*, pledge to make this the most memorable, successful, and rewarding experience possible.

## PEW BODY STYLES

### SOLID HARDWOOD PEW BODIES

Our beautiful, traditional style, solid hardwood pew bodies feature ergonomically correct back angles for support and a deep curved seat to provide hours of comfortable seating.

### UPHOLSTERED PEW BODY

*Davis Furniture* upholstered pew bodies are designed with proper seating angles and lumbar support backs to provide the proper support and reduce fatigue while allowing congregants to worship in ultimate comfort. Using only high density foam, your *Davis Furniture* upholstered pew is as durable as it is comfortable.

## ENDLESS POSSIBILITIES

Our wide variety of stains, fabrics and body styles allow you to customize your pews to meet your individual needs. From a full solid wood back and seat to a fully upholstered seat and back, *Davis Furniture Company* offers a full line of pew bodies to accommodate your individual seating needs.

*Davis Furniture Company* now also offers its customers the option to choose the materials in which their worship furniture is built: using all solid wood components or laminate construction with a plywood core.

## PEW END REPRODUCTION

This fine example of an original pew end reproduction features solid Northern Red Oak construction and the exact reproduction of hand carved armrest and the triple gothic lancet incised end rout.

*Davis Furniture Company* widened the pew end to accommodate the *Davis Furniture Company* I-Beam Upholstered Seat, which updated this beautiful pew end's function while maintaining its original charm.

[As shown: Pew End #5 with waterfall cap, custom carvings and triple gothic lancet incised end rout]

## PEW SUPPORTS

Pew End Support

Pew Center Support

*Davis Furniture Company* pew supports are designed to be aesthetically pleasing, while offering maximum support to the pew body. All *Davis Furniture Company* pew supports feature a cutout at the base of the support to allow for two points of contact,\* eliminating any opportunity for the pews to rock over time. *Davis Furniture Company* also uses two anchors on all anchored supports, giving our pews the most solid anchoring available.\*

\*Most manufacturer's cut their center supports flat and use one anchor on anchored supports.

## PEW ACCESSORIES

Accessories are available to enhance and customize *Davis Furniture* pews to fit any worship style. All pew accessories are constructed of only the finest solid hardwoods in attractive designs and with great attention to detail.

### BOOKRACKS

Bookrack #145-147

Center Divider #145

Center Divider #146

Center Divider #147

Standard bookracks (back mounted models) will accommodate four books and available options include built-in pencil, card, and communion cup holders. Under-seat mounted bookracks (generally used under the seats of the front rows of pews) are another option. Custom sizes and styles are always available upon request or as required by the pew.

### COMMUNION CUP HOLDERS

Communion cup holders can be purchased separately and are designed for easy installation.

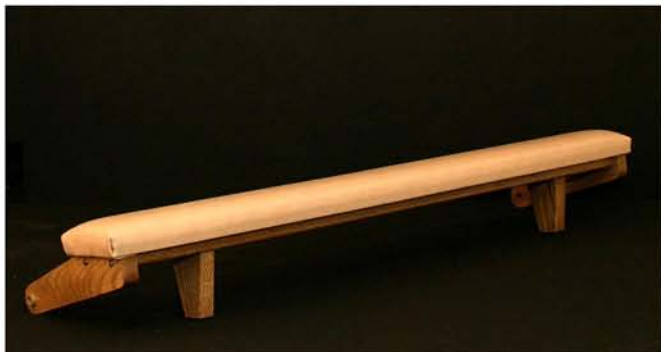

Cup holder #5C

Cup holder #3C

### KNEELERS

Our Solid northern red oak frame kneelers feature *Davis Furniture Company's* exclusive kneeler foam, which as one of our past client's said, will leave your knees "smiling up at you while you pray!" As an alternative option, we also offer aluminum frame kneelers. Both the solid and aluminum kneelers are light-weight and sturdy for quiet, long-lasting operation.

Steel through bolts provide max. support at chair's weakest points

Predrilled hole for steel ganging fastener

No exposed fasteners on either side of back to provide a cleaner, more natural look

Planked northern red oak backs exhibit oak's strength and natural beauty

Over 3" of high quality foam under the fabric of your choice

Glue, four screws and one steel decorator through bolt create the strongest joint in the industry

Under seat, front and rear book rack included at no additional cost

Solid northern red oak components make the most durable and beautiful chairs available

**Durable, Comfortable, Beautiful.**

## CHANCEL FURNITURE

Davis Furniture Company offers a wide line of standard chancel furniture and has the ability to manufacture custom chancel furniture to meet your specifications. Our talented furniture designers can work with you to put your ideas onto paper to create the chancel furniture that fits your specific design needs.

### ST. PAUL'S LUTHERAN CHURCH, HOWARD'S GROVE, WI

For St. Paul's, Davis Furniture Company manufactured the pictured set of chancel furniture from our standard chancel furniture and added custom routing and carvings to enhance the aesthetics of the chancel furniture to match the worship style of the church. The routs were designed to compliment a pew end rout that was routed onto full supporting pew ends.

### EVANGELICAL AND REFORMED UNITED CHURCH OF CHRIST, WAUKESHA, WI

Evangelical and Reformed United Church of Christ (ERUCC) selected a combination of custom and standard chancel furniture to go along with pews and chairs by Davis Furniture Company. The pulpit was designed to match a photograph supplied by ERUCC and the flower stands were designed to match the pulpit. The communion table and pulpit chairs were selected from our standard chancel furniture designs.

## THEATER-STYLE WORSHIP SEATING

Theater-style worship seating is a practical and affordable way to make the most of your worship space. By allowing for greater seating capacity than traditional sanctuary seating, theater seating is becoming a very popular choice in sanctuaries around the world. Call us today to discuss how our theater-style worship

### CONVENTION

The Convention Seat is our most economic and space conscious seat giving you the best value for your seating investment. The Convention Seat comes standard with your choice of hundreds of fabric pattern and color combinations and has many options to choose from. Options include: 35" High Back, Upgraded Plastic Color, Wood Armrest, Lifting Armrest, Loveseat, Wood Outer Back, Upholstered Outer Back, Upholstered Seat Pan, Solid Harwood Aisle Ends, and more!

The Lumiere Seat is very similar to the Convention Seat, but includes lumbar supporting foam and upholstery pleats, while maintaining the tight spacing that the 32-1/2" back height allows. The Lumiere Seat gives a much more refined look to the space and unparalleled comfort for just a few dollars more per seat. The Lumiere has the same available fabrics and options as the

### LUMIERE

### ALESSANDRIA CONVENTION

The Alessandria Convention Seat is a great choice for those looking for a performing arts look in their worship space. The Alessandria Convention Seat comes standard with a 35" high back and 4" thick lumbar supporting foam. The Alessandria Convention can come with the following options: 38" high back, Upgraded Plastic Color, Wood Armrest, Lifting Armrest, Loveseat, Wood Outer Back, Upholstered Outer Back, Upholstered Seat Pan, Special Back Stitching, Solid Harwood Aisle Ends, and many more!

The Symphony Seat is a customizable seat that features our wood outer back and wood seat pan. The Symphony comes in various back shapes and can be customized in many ways. Having this seat in your sanctuary is sure to impress, and with its competitive pricing is surprisingly affordable!
